

## Information Security and Privacy Agreement

Universal Health Services Facilities and other UHS subsidiaries (collectively, "UHS" or "UHS companies") are committed to maintaining high standards of confidentiality. The responsibility to preserve the confidentiality of information in any form (electronic, verbal, or written) rests with each User granted access to UHS information systems who may have access to Confidential Information, including Protected Health Information (PHI), Electronic Protected Health Information (ePHI), employee information, physician information, vendor information, medical, financial, or other business-related or company confidential information. Any information created, stored or processed on UHS systems, or systems maintained on UHS' behalf by a vendor or other individual or entity, is the property of UHS, as is any information created by or on behalf of UHS, whether written, oral or electronic. UHS reserves the right to monitor and/or inspect all systems that store or transmit UHS data, the data stored therein, as well as all documents created by or on behalf of UHS.

## **Definitions:**

**Agreement** means this *UHS Information Security and Privacy Agreement*.

**Confidential Information** means confidential information that is created, maintained, transmitted or received by UHS and includes, but is not limited to, Protected Health Information ("PHI"), Electronic Protected Health Information ("ePHI"), other patient information, Workforce member information, employee, physician, medical, financial and other business-related or company private information in any form (e.g., electronic, verbal, imaged or written).

**Protected Health Information ("PHI")** means individually identifiable health information that relates to the past, present, or future physical or mental health or condition of an individual, the provision of health care to an individual, or the past, present, or future payment for the provision of health care to an individual. PHI can be oral, written, electronic, or recorded in any other form.

Electronic Protected Health Information ("ePHI") means Protected Health Information in electronic form.

**User** means a person or entity with authorized access to any UHS network and/or other information systems, including computer systems.

**Workforce** means employees, volunteers, trainees, and persons whose conduct, in the performance of work for UHS, are under the direct control of UHS, whether or not they are paid by UHS. Workforce also include management and employed medical staff.

## I HAVE READ AND UNDERSTAND THIS ENTIRE AGREEMENT, AND I AGREE TO THE FOLLOWING:

(Note: Please initial each line in the space provided after reading it.)	Initials:
1. I understand it is my personal responsibility to read, understand and comply with	n all
applicable UHS company policies and procedures, including Security policies.	. I
understand that these policies provide important information about the acceptable us	se of
information systems, protection from malicious software, Mobile device usage, and	data
encryption, and other important information. If I am provided access to PHI or ePHI, I	also

	agree to comply with the Privacy policies.	
2.	I have been provided access to the Security and Privacy policies as applicable.	
3.	I agree not to disclose any PHI, ePHI or any other Confidential Information obtained by accessing the UHS network and/or other information systems, including computer systems, or otherwise to any unauthorized party. I agree not to access or use any PHI, ePHI or any other Confidential Information unless I am authorized to do so. I agree that all patient-related information shall be held to the highest level of confidentiality.	
4.	I agree to access the UHS network and/or other information systems, including computer systems, only for purposes related to the scope of the access granted to me.	
5.	I understand that UHS regularly audits access to information systems and the data contained in these systems. I agree to cooperate with UHS regarding these audits or other inspections of any device accessing the UHS network, including UHS inquiries that arise as a result of such audits.	
6.	I agree that I will not share or disclose User IDs, passwords or other methods that allow access to UHS network and/or other information systems, including computer systems, to anyone, at any time, nor will I share my account(s). I also agree to store all UHS company-related data onto the system servers rather than on hard drives of individual workstations, personal computers or other devices, including Internet storage services (e.g. Dropbox, Google Docs, etc.) unless authorized by your local Security Officer.	
7.	I agree to contact my supervisor (or for non-employees, the applicable UHS Department Director or Business Contact) and IS Security Officer immediately if I have knowledge that any password is inappropriately revealed or any inappropriate data access or access to Confidential Information has occurred.	
8.	I understand that Confidential Information includes, but is not limited to PHI, ePHI, other patient information, employee, physician, medical, financial and all other business-related or company private information (electronic, verbal or written).	
9.	I agree that I will not install or use software that is not licensed by UHS (or that is otherwise unlawful to use) on any UHS information systems, equipment, devices or networks. I understand that unauthorized software may pose security risks and will be removed by UHS.	
10.	I agree to report any and all activity that is contrary to this Agreement or the UHS Security or Privacy policies to my supervisor, Department Director, IS Security Officer or Privacy Officer.	
11.	I understand that for employees this form will be part of the employee file at UHS and that failure to comply with this Agreement and the UHS Security and Privacy policies may result in formal disciplinary action, up to and including termination. I understand that for non-employees, failure to comply with this Agreement and the UHS Security and Privacy policies may result in revocation of access and the termination of any agreements or relationships with UHS.	
12.	I understand that all information and/or data transmitted by or through or stored on any UHS device, or system maintained on any UHS company's behalf by a vendor or other individual or entity, will be accessible by UHS and considered the property of UHS, subject to applicable law. I understand this includes, without limitation, any personal, non-work related information. I do not have any expectation of privacy with regard to information on any UHS network and/or other information systems, including computer
